The excitement is building for H&T's 53<sup>rd</sup> annual Burns Supper & Ball. I look forward to this fabulous event knowing that we will all have a grand time. We should be prepared – at least to dance - thanks to the special lessons given to all of us at the November meeting. We certainly appreciated RSCDS coming to try to train our dancing toes. We had a great time and some good laughter; and hopefully we will remember what they taught! And Ladies, don't forget to help your man gather all his necessities: the hose, garters, flashes, flypleid, sporrán, belt, sgian dubh, broche, etc. Last year I had great fun with my "Reply to the Laddies." Let us hope the kilt has not shrunk another inch or two!

***The Burns Supper.*** The planning committee is at the finish line of their annual assignment. The good news is that we will have a full house. The bad news is that there is a waiting list and unfortunately, we may not be able to accommodate everyone who did not purchase a ticket early. If for some reason, you have tickets that will not be used, please call Joan McClure at 713-782-6707. Several people have contacted me through our web site regarding tickets. Some folks have recently moved here or just heard about the Supper and would love to attend. I hope we don't have an empty seat at the hotel!

Don't forget to buy a raffle ticket. The money will benefit St. Thomas Episcopal School or Scottish Arts programs, and you may be a lucky winner of some very nice prizes.

#### **Programs:**

**Christmas Party.** Everyone was in a festive mood for our party except for Sharon & Jim Monteith who called me a couple hours before the event with the sobering news that they picked up a bad, bad bug and didn't wish to give that as a gift to the rest of us. I pre warned my Sergeant-At-Arms, Victor and his wife, Jeni, *NOT* to steal my gifts this year during our White Elephant Exchange. Everyone was merciless, however, and anyone who opened spirits was robbed immediately. Moon couldn't hold onto a gift if she tried. We all went home happy and at least 1,000 calories were added to the holiday count.

**January Program.** We are delighted to have our Burns Club present *The Travels of Robert Burns* to us on January 23<sup>rd</sup>. We are looking forward to this annual presentation. The Burns Club has invited The English Speaking Union organization as our special guests for the evening. We welcome them and hope they will join us frequently.

**Future Programs.** On February 27th, Mark Monroe has made arrangements to treat us to an evening of "History of Texas Music (Steppin' Back in Time) 1821-1865 by Jim Fox and his love wife, Margaret. They reside in San Antonio. Don't miss this special musical performance.

**Heather & Thistle Officer Nominations.** I congratulate everyone who has been selected to serve H&T in 2006 and beyond. I know you will give them your generous support as they pledge to serve our organization in the near future.

**Community Outreach.** I want to thank everyone who brought food to our meetings after Katrina and Rita. I took 13 pounds of food to WHAM (West Houston Assistance Ministries). Each year WHAM assists over 13,000 individuals with food, clothing and financial help. WHAM is an ecumenical ministry and a coalition of 10 churches. They were extremely taxed to meet the needs of all the hurricane victims. At our Christmas party, there was a stack of gifts brought by our members to give to our deserving Veterans. It was my pleasure to take the gifts to the VA Hospital with the hopes of adding a little holiday cheer to someone's Christmas. I appreciate your support during my leadership to contribute to these worthwhile endeavors.

Jack with his young wife Phemia, and daughter Margie, came from Scotland to Texas in 1955. Other daughter Mary, Bellaire born, says: **"To be a TEXAN and a Scot is not a bad thing"**

Jack soon joined Heather and Thistle Society, Rising thru the ranks to CHIEFTAIN, He is a founding member and PAST PRESIDENT of Grampian Association , Founding member and PAST PRESIDENT of Houston Highland Games, Founding member and LEADER of the Houston Burns Club.

For many years Jack has proposed the toast ;  
"The Immortal Memory of Robert Burns" all over from Albuquerque to Atlanta  
And is particularly delighted to do so for Heather and Thistle Society.

Though proud of his Scottish birth and Scottish interests,  
Jack says, he is more proud to be,  
**A TEXAN, and citizen of the UNITED STATES OF AMERICA!**

**ARTHUR L. DOWN 22<sup>nd</sup> CHIEFTAIN  
VOTED BY PEERS TO RECEIVE  
"THE JACK AND PHEMIA HUME HONORARY SERVICE AWARD"**

Dr. Arthur L. Down was born in London, March 25<sup>th</sup> 1916. His Father was a west countryman whilst his Mother, a Lewis, was born in the Midlands, the family having a Scottish background. He was educated in Maidstone at a school founded in 1348, becoming a King Edward VI Grammar School in 1549, and at Imperial College of Science and Technology, founded by the Prince Consort. He spent two years researching the composition of the organic matter in Scottish oil shales and related materials, spending the summers working in the industry in Midlothian. In July 1939, Trinidad Leaseholds recruited him for a refinery expansion project funded by the Ministry of Aircraft Production to maximize aviation fuel production. Texaco bought the company in 1953 and Dr. Down headed up a 300 per cent refinery expansion. He was transferred to New York in 1961 as a General Manager and to Houston in February 1975 as V.P. Chemical Operations. On retirement from Texaco in 1981 he became a consultant to the Central Region of Scotland, Sterling.

In Houston Arthur lost no time in joining the Heather & Thistle Society, and when his wife, Joan, joined him in mid-year, they joined the Scottish Country Dancers. In the fall of 1977, the Society complained of a lack of program. Chieftain Dan Smith appointed Arthur Program Chairman. He was elected Sgt. At Arms in February 1978, succeeding to Sub-Chieftain in December when Ron Glennie was transferred to the West Coast and elected Chieftain in 1979. As Chieftain and in following years on the Burns Supper Committee and Past Chieftain's Committee, he sought to streamline the Burns Supper Program and introduced the idea of having a well know Burnsian from Scotland give the Immortal Memory three out of every four years. He was responsible for bringing to Houston the first eleven speakers.

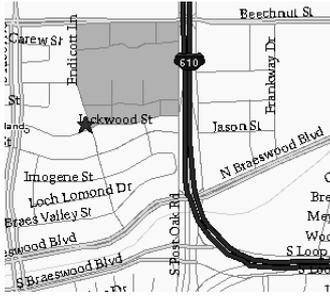

The concept of The Burns Club was first discussed over lunch with Jack Hume. It was not until 1984 that a club was formed from members of the H&T Society. The Club made its first annual presentation to the society in 1989 with Anne Gaw, President of the Burns Federation, in attendance. Since 1989 the Burns Club has held their own Burns Supper with Arthur in the Chair. Last January, we all enjoyed his annual performance with The Burns Club at our H&T meeting.

*Arthur Down will celebrate his 90<sup>th</sup> birthday in March. The Society wishes him a very Happy Birthday, and we are grateful to have the opportunity to thank him for his many years of devoted service.*
